By signing this rebate application, the Applicant acknowledges and agrees to the following terms and conditions:

- The Applicant has authority to enter into this agreement to replace toilets in the building indicated above. The information provided on this form is true and correct.
- The installation of toilets through this program is the Applicant's sole responsibility, and such installation shall be in compliance with all applicable laws and codes.
- Seattle Public Utilities does not design, manufacture, or specifically endorse any particular toilet.
- Seattle Public Utilities shall have the right, but not the obligation, to inspect the installed toilets for the sole purpose of verifying that installations are in conformance with the rebate program requirements. Inspections are not a certification, warranty or other approval with respect to the Applicant's compliance with applicable laws, ordinances, and building codes.
- Seattle Public Utilities has not and does not make any representations or promises with respect to toilets, showerheads, and faucet aerators, their water consumption, and/or water savings from the installed products. Seattle Public Utilities makes no implied or express warranties regarding this program or its policies, procedures, and/or any installed products, AND specifically disclaims any warranty of merchantability, or fitness for a particular purpose.
