- Water District #90
- Water District #119
- Water District #125
- Woodinville Water District

2. Over an acre (roughly 43,560 square feet) of irrigated area.

3. Rebates available for water efficiency upgrades for existing irrigation system, **NOT** for adding irrigation systems where one did not exist.

LANDSCAPE REBATE APPLICATION

Use this rebate to improve your existing irrigation system to reduce your water use. Rebated devices can include weather based irrigation timers, rain sensors, low precipitation rate nozzles, and drip irrigation.

TAKE THESE 6 EASY STEPS:

1. Check to see if you are eligible for this program – see green box at left.
2. Complete the application digitally (fill out the PDF form), print, sign, and send it using one of three methods:
 - Email to mark.guthrie@seattle.gov
 - Regular Mail to: **Seattle Public Utilities**
Mark Guthrie
PO Box 34018
Seattle, WA 98124-4018
 - Fax to (206) 684-8529
3. A pre-inspection will be scheduled and information will be collected as necessary to review the proposed project.
4. Once approved, an approval letter and participation agreement will be sent.
5. Complete the project, submit relevant supporting documents to Seattle Public Utilities, and schedule a project inspection.
6. Completed project is approved and final incentive is paid.

Project Description (including annual water savings and the changes to be made):	

By signing this application, the Applicant acknowledges and agrees to the following terms and conditions:

- The information provided on this form is true, correct, and complete.
- The release of utility records to the City of Seattle, Seattle Public Utilities for the facility described above. The data will be used for analysis and evaluation of water savings in this facility. All information is confidential.
- Seattle Public Utilities shall have the right, but not the obligation, to inspect the installed project for the sole purpose of verifying that installations are in conformance with program requirements. Inspections are not a certification, warranty or other approval with respect to the Applicant's compliance with applicable laws, ordinances, and building codes.
- Seattle Public Utilities has not and does not make any representations or promises with respect to the projects water consumption, and/or water savings from the installed products. Seattle Public Utilities makes no implied or express warranties regarding this program or its policies, procedures, and/or any installed products, AND specifically disclaims any warranty of merchantability, or fitness for a particular purpose. Funding is limited and rebates are available on a first come, first served basis.
