

# TOILET REPLACEMENT REBATE PROGRAM

For single-family homes, duplexes, triplexes and individual condominium units

We created this list of commonly purchased toilets to make it easier to find models that are eligible for our \$100 toilet replacement rebate. For the full list of rebate-eligible toilets, visit the [MaP Premium website](#).

**\* Note that many of these brands and models are available online via additional retailers.**

This list does not constitute an endorsement of any manufacturer or model. Rebate eligibility is determined by a toilet's model number. Not all toilets with the same model or collection name are rebate-eligible. For full program terms and conditions, visit [SavingWater.org](http://SavingWater.org).
