

Rebate up to 50%
of project costs

WATER SMART TECHNOLOGY REBATE

The Saving Water Partnership offers commercial incentives to help your business save on water-efficient equipment. Incentives vary based on verified water savings. Apply now to find out if your project is eligible.

ELIGIBILITY REQUIREMENTS

- Businesses must receive water from one of these participating Saving Water Partnership utilities:
 - Cedar River Water & Sewer District
 - City of Bothell
 - City of Duvall
 - City of Mercer Island
 - City of Renton
 - Coal Creek Utility District
 - Highline Water District
 - North City Water District
 - Northshore Utility District
 - Olympic View Water & Sewer District
 - Seattle Public Utilities
 - Soos Creek Water & Sewer District
 - Water District #20
 - Water District #49
 - Water District #90
 - Water District #119
 - Water District #125
 - Woodinville Water District

2. Rebates available for water efficiency upgrades for existing equipment and not new construction. Rain water harvesting projects are not eligible for incentives at this time.

TAKE THESE 6 EASY STEPS:

- Confirm your facility is located in the service territory – see green box at left.
- Complete the application digitally (fill out PDF form) or print, sign and send it with attachments including water savings calculations, cost estimates and equipment cut sheets to:
 - Email to natasha.bailey@seattle.gov or
 - Mail to: **Natasha Bailey**
PO Box 34018
Seattle, WA 98124-4018
- A pre-inspection will be scheduled and information will be collected as necessary to review the proposed project.
- Once approved, a participation agreement will be sent.
- Complete the project, submit relevant supporting documents to Seattle Public Utilities, and schedule a project inspection.
- Completed project is approved and incentive is paid.

How did you hear about the program?
Project Description (including annual water savings and the changes to be made).

By signing this application, the Applicant acknowledges and agrees to the following terms and conditions:

- The information provided on this form is true, correct, and complete.
- The release of utility records to the City of Seattle, Seattle Public Utilities for the facility described above. The data will be used for analysis and evaluation of water savings in this facility. All information is confidential.
- Seattle Public Utilities shall have the right, but not the obligation, to inspect the installed project for the sole purpose of verifying that installations are in conformance with program requirements. Inspections are not a certification, warranty or other approval with respect to the Applicant's compliance with applicable laws, ordinances, and building codes.
- Seattle Public Utilities has not and does not make any representations or promises with respect to the projects water consumption, and/or water savings from the installed products. Seattle Public Utilities makes no implied or express warranties regarding this program or its policies, procedures, and/or any installed products, AND specifically disclaims any warranty of merchantability, or fitness for a particular purpose.
- Funding is limited and rebates are available on a first-come, first-served basis.
- Personal information entered on this form is subject to the Washington Public Disclosures Act, and may be subject to disclosure to a third-party requestor. At the City of Seattle, we are committed to protecting your privacy and will ensure that any disclosures are done according to law. To learn more about how this information is managed, please see our Privacy Policy.
